CAREER HISTORY

08.2026 — PRESENT NUREMBERG, DE

Barthelme LED Solutions

- 3D Designer (Working Student) · previously Intern (03.2026 — 07.2026)
- Sole 3D designer responsible for producing photorealistic product renders and 3D animations for the company website and marketing materials.
 - Independent CAD data preparation, mesh optimization, and conversion of complex engineering assets for Blender pipelines.
 - Reconstruction and 3D modeling of products based on physical samples and photos when CAD blueprints were unavailable.
 - Creation, staging, and fine-tuning of complex studio and environmental lighting setups.

03.2025 — 09.2025 SCHWABACH, DE

Just Taste

- E-Commerce (Working Student)
- Maintained and optimized the online store catalog along with product photo editing.

06.2024 — 02.2025 NUREMBERG, DE

Aramark

- Cook (Working Student)
- Reliable team player working alongside university studies.

Education

ACADEMIC BACKGROUND

10.2024 — PRESENT NUREMBERG, DE

Media Engineering (B.Eng.)

TH Nürnberg · Focus: 3D, Interactive Media

03.2024 — 09.2024 NUREMBERG, DE

Orientation Semester

TH Nürnberg · Intensive Blender & 3D Fundamentals

10.2023 — 03.2024 REGENSBURG, DE

Architecture (B.Sc., major changed)

OTH Regensburg · Spatial design principles and visual composition

09.2022 — 08.2023 COBURG, DE

Studienkolleg (T-Course)

Final Grade: 1.8

UNTIL 2022 BARNAUL, RU

Art School (Design Major) & Lyceum

Art School No. 1 (Grade: 1.0) · Lyceum No. 129 (Grade: 1.0)
